

On Track with PDHPE K-10

The AISNSW PDHPE Conference 2019

9 & 10 May, 2019

Genea Netball Centre, Sydney Olympic Park

#AISPDHPE19

This two-day conference will explore innovative, engaging and authentic teaching, learning and assessment strategies to enhance the implementation of the new PDHPE K-10 syllabus. Be inspired by keynote speakers who will address significant concepts for young people which are a focus of the new syllabus to promote healthy, safe and active lives. Immerse yourself in interactive practical and theoretical workshops designed to dive deeply into a variety of syllabus areas. Delegates will also be afforded numerous opportunities for professional dialogue and networking with like-minded PDHPE colleagues and a variety of exhibitors.
