to me, Sustainability, Athena

Dear Dr. Creely,

A short note to thank you very much for your review manuscript:

Manuscript ID: sustainability-581958

Title: Influences of students' personalities and capabilities on their creativity: A case study of Architecture student

Authors: Sameer Hamdan *, Mehmet Ağa, Mustafa

If we decide to ask the authors for revisions, we will release a new version soon. To help us improve our services, we kindly request you to complete our online survey on the peer-review process at <https://www.surveymonkey.com/r/reviewerfeedback>

We also invite you to contribute to Encyclopedia ([https://encyclopedia.mdpi.com](#)) a scholarly platform providing accurate information and research results. You can adapt parts of your paper to provide information for others in the field.

Kind regards,
