We apologize for author name and affiliation errors that we just identified in our paper published in 2019 August issue. There were mistakes in the name of one author and the location of institutional affiliations for four authors. Specifically, author “Dimitrios Spentzos” was previously listed as “Spentzos Dimitrios” resulting in a reversal of his first and last name. Further, institutional affiliation 5 (for authors Spentzos D. and Garbutt C.): MGH Center for Sarcoma and Connective Tissue Oncology, Department of Orthopedic Surgery, is erroneously listed in “New York, USA”. The correct location is “Boston, USA”. Similarly, institutional affiliation 6 (for authors Nielsen G.P. and Deshpande V.): MGH Center for Sarcoma and Connective Tissue Oncology, Department of Pathology, is erroneously listed in “New York, USA”. The correct location is “Boston, USA”. These corrections do not affect the description of the results or the conclusion of this work. We apologize for not detecting them before publication and any inconvenience this caused. The correct author names and institutional affiliation descriptions are as follows:

Jlenia Guarnerio^{1,2}, Yang Zhang¹, Giulia Cheloni¹, Riccardo Panella¹, Jesse Mae Katon¹, Mark Simpson³, Akinobu Matsumoto¹, Antonella Papa¹, Cristian Loretelli¹, Andreas Petri¹, Sakari Kauppinen⁴, Cassandra Garbutt⁵, Gunnlaugur Petur Nielsen⁶, Vikram
