Re: Early Career Analytical Electrochemistry Prize of ISE Division 1

Dear Dr. Bentley,

I'm writing to you regarding the outcome of the selection of the Early Career Analytical Electrochemistry Prize of ISE Division 1 winner.

All nominations submitted to the ISE were evaluated by the Award Selection Committee chaired by Prof Walcarius. It is my pleasure to inform you that your nomination was found to be the strongest of all submitted for consideration and that the Award Selection Committee choose you as the winner of the Early Career Analytical Electrochemistry Prize of ISE Division 1 in 2020.

I'm really happy that I can congratulate you on this achievement which reflects your notable contribution to the development of the field. I also do hope that you will keep playing a strong role in the electrochemical community and in the ISE in the future.

You will be contact by the Executive Secretary regarding the practical arrangements of the Prize in the near future.

Best regards

ZQ Tian
ISE President
