Dear Prof. Burstein,

At the IFIP General Assembly held last week, the General Assembly approved awarding you IFIP's Service Award.

This award is in recognition of your considerable and sustained contributions to IFIP both technically and in volunteer and support capacities.

We are grateful for what you have done for IFIP and this is a token of our appreciation. We hope that you will continue to engage with and to contribute to IFIP's activities.

Sincerely

A handwritten signature in blue ink, appearing to read 'M. Hinchey'.
