Dear Christen,

On behalf of the selection panel for the GSA Ross Crozier Medal I am delighted to let you know that you are this years winner. This is of course extremely well deserved, and you have my warmest congratulations!

This award is accepted by delivering a talk at the annual meeting, which as I'm sure you know is in Melbourne this year. Phil Batterham will be in touch with you re this.

Once again congratulations, and I look forward to seeing you at the meeting.

Best regards,

Coral Warr, President - Genetics Society of AustralAsia
