

Dear Ir. Ts. Dr. Chow Ming Fai

Warm Greeting and Good Day,

On behalf of the IMechE Malaysia Branch Young Members Section (YMS), we are honoured to invite you as a guest speaker for our IMechE Malaysia Branch Young Members Section (YMS) **'Short Bits! Getting Ready for Your Engineering Career'** initiative.

The IMechE Malaysia YMS is part of IMechE, a learned society based in the UK with the vision of improving the world through engineering and locally, the Malaysia Branch is actively engaging with Members from all levels including Affiliate (student) Members, providing technical talks, sharing sessions, career and personal development talks and other related engagements to empower Members.

The **'Short Bits! Getting Ready for Your Engineering Career'** initiative is focused on career and professional development for developing engineers. It is a **30-minute sharing session, which will then follow by Q&A session with an audience from developing engineers** consisting of IMechE Associate Members, Affiliate Members (Students) and even members of the public.

Your vast experience in the industry and contribution as a speaker will be a great addition to our **'Short Bits! Getting Ready for Your Engineering Career'** initiative and we strongly believe your voice would be a critical addition to our 'Meet the Engineer' initiative's July session titled **'Importance of Professional Registration'** that will be held on **17th July 2021 (Saturday) at 11am**. Please let us know **by 26th June 2021** if you are interested in speaking. Should you have any enquiries, please feel free to contact me at pooi.ying.choong@member.imeche.org or the IMechE Malaysia Young Members Section's main email at imeche.yms.malaysia@gmail.com
