IBRO World Congress Travel Grant

Dear Min Yee Chow,

On behalf of IBRO, it is my pleasure to inform you of your IBRO World Congress Travel Grant award in the amount of **1800 EUR**. These funds are to be used towards your participation in the **11th IBRO World Congress of Neuroscience** taking place in **Granada, Spain** between **September 9-13, 2023**. This is an official acceptance letter to be used to obtain any visas or complete other necessary arrangements.

You are responsible for your registration and proper submission of your scientific abstract. Reimbursements will be sent to you after you have attended the IBRO World Congress and your attendance has been confirmed. After you have attended the Congress, please send a copy of your certificate of attendance to the IBRO Secretariat (programs@ibro.org).

Payment of your grant will be made by *Convera*, a secure web-based payment service that will provide you with a number of benefits, including immediate payment notification, online payment tracking and remittance information. Once we have received a copy of your certificate of attendance, you will receive an invitation to enroll your banking details in the system. Once the information you have registered has been verified, we will be able to make payments into your bank account. Please review the *Payment Formatting Guidelines*, available on the IBRO website. Failure to provide all required information will result in significant delays in the processing of your payment.

In accordance with the IBRO Communications Policy (section IV: Confidentiality) and the EU General Data Protection Regulation (GDPR), this award letter is confidential and is not to be shared publicly. We encourage you to celebrate your achievement using the official award image approved for use on social media. You will find this image and other social media content in the communications toolkit mentioned in your award notification email.

Our congratulations on your receipt of this travel award. We look forward to seeing you in Granada!

Best regards,

Rebecca Hadid, PhD
