

Emeritus Prof. Susan McKemmish
Department of Human Centred Computing
Email: Sue.McKemmish@monash.edu

Biography

Professor Sue McKemmish, PhD, is the Associate Dean Graduate Research for the Faculty of Information Technology. Professor McKemmish is also Chair of Archival Systems, Monash University and Director of the Monash University Centre for Organisational and Social Informatics. She is engaged in major research and standards initiatives relating to the use of metadata in records and archival systems, information resource discovery and smart information portals, Australian Indigenous archives, and the development of more inclusive archival educational programs that meet the needs of diverse communities. Sue McKemmish directs the postgraduate teaching programs in records and archives at Monash, has published extensively on recordkeeping in society, records continuum theory, recordkeeping metadata, and archival systems, and is a Laureate of the Australian Society of Archivists.
