

Assoc Professor. Carsten Rudolph  
Cyber Security & Systems  
**Email:** Carsten.Rudolph@monash.edu

## Biography

Carsten Rudolph is an Associate Professor with the Faculty of IT at Monash Clayton campus. He received his PhD in Computer Science at Queensland University of Technology, Brisbane in 2001. Since then, he worked at the Fraunhofer Institute for Secure Information Technology SIT, Darmstadt, Germany, where he was head of the research department Trust and Compliance. In 2015, he co-ordinated the start of a new research group on Trusted Computing in Germany as part of the Huawei European Security Competence Centre in Germany.

Carsten Rudolph has contributed extensively to four key areas of cyber security:

Trusted Computing, Security of critical infrastructures and Security of IT Networks

Security by design / security engineering / formal methods for security

Validation and design of security protocols

Digital forensic readiness and secure digital evidence

## Qualifications

### Activities

**Member - Faculty Research Committee - Faculty of Information Technology, Monash University**
