

## Biography

Keiko Ng completed her PhD in Management at Sunway University Business School in October 2024. Her research focused on the dynamics of leadership in emerging contexts, demonstrating her dedication to advancing understanding in this field.

With a passion for education, Keiko has accumulated six years of teaching experience at both Diploma and Undergraduate levels, engaging students and fostering their academic growth. Prior to her academic career, she gained valuable industry experience in the trading and retail sectors, holding managerial positions and representing international baby brands.

Keiko's diverse background in both industry and academia equips her with a unique perspective, enhancing her contributions to the field of management education.
