

Dr. Swati Mujumdar
Psychology
Turner Inst for Brain & Mental Health
Email: Swati.Mujumdar@monash.edu

Biography

Swati is currently the Course Convenor of the BPsych course at Monash University. She is also the Chief Examiner for PSY1011, PSY1022, PMH1011, PSY3130 and PSY3190 at the School of Psychological Sciences.

Swati has extensive teaching experience in Australia, China as well as in India. She completed her PhD from the University of Adelaide in 2009. Her research interests lie in the field of organisational psychology, health and social psychology with a particular focus on stress management, work-family conflict, work-life balance, and gender discrimination. Cross-cultural psychology as well as Education research are also areas that interest her.

Swati has supervised a number of 4th year students in the health domain, particularly in the cross cultural and work family enrichment field. She is currently supervising students in educational research.
